C1650

PALACE OF VERSAILLES

Louis XIV was known as the SUN King of France, because of the splendour of his court. At Versailles, near PARIS, Louis built the most costly and most magnificent palace in all Europe. It could house 10,000 people, but only the King's friends lived there and strolled in its beautiful gardens, with their fountains.

orange trees, strange flowers, and marble
statues. Now this royal playground belongs
to the people of France, and thousands visit
it each year.

1650 A.D.

Archbishop Ussher fixed the date
of the world as 4004 BC.

He calculated from the Bible;
others assumed dates of Creation
varying from 3483 BC to 6984 BC.

c 1650 AD

In 17th century people
had a life expectancy of
51 years (Breslau)
